

This is an example workbook!

It's being embedded directly on our homepage, because ofCourseBooks is fancy like that and workbooks can be embedded or linked to on any website or course platform.

1

Do you currently teach an online course?

What's it about?

2

Do you use workbooks in your current online course?

If so, how are you doing it right now?

3

Isn't this cool how this workbook scrolls?

Weee!

What did you want to be when you grew up?

No judgement from us, we wanted to be chefs or dinosaurs.
